Conditions were wonderful for the 2009 Canyon Springs Member Guest. The Derby Friday was represented by 10 teams and came down to a dramatic finish on the 9th hole as they battled through several moments of rainy conditions. The weather Saturday was decent with a few periods of showers as well. However, players persisted through the conditions and had a fantastic day of golf. Conditions Sunday were absolutely heavenly and offered some of the best conditions of the year. The golf course was in perfect shape and offered players a pristine venue. Overall, the 2009 Canyon Springs Member Guest was a great success. The entire Canyon Springs Golf Course staff greatly appreciate all participants and sponsors for all of their support in making this event the best it could be.
